

## OPEN CALL: FOR HELICOPTER STUDIO MEMBER

As from mid Juli, we at Helicopter are inviting two like-minded artists to share with us our studio-space in Moerwijk (The Hague).

We exist as a collective since 2015 in a former school building, offering studio space and a wide programme of concerts, events and shows throughout the year. Different interests of our members are: art and politics, research, art and education, artscience, community art, experimental film, music, sound, performance and video.

In our building we have approximately 10 private working spaces, a project space, a yard, a shared kitchen and a small music room. The project space and the school yard are used for our public program and for short individual try outs. Get a better impression of our activities by checking our website:

<http://helicopter.studio/>

FYI: We have a temporary contract with the municipality, which can be ended on a 3 month notice. However, we are in ongoing communication with the municipality about possible future locations.

We are offering two separate studio spaces:

- A +-15 m2 studio on the first floor, with natural light and its own connected storage space. Monthly contribution: 50 euro p / m all in.
- A spacious +- 55 m2 studio (classroom) on the first floor, with lots of natural light. Monthly contribution: 100 euro p / m all in. For this studio there is an opportunity to share the space.

Due to the available studios being wall to wall with other working spaces, it is unsuited for constant noisy work.

In a future helicopter member we are looking for a passionate artist who is excited to be part of an artist community and who likes to contribute to our public program. Besides that we are looking for a person with a hands-on diy mentality and who isn't scared to take on some tasks within the collective, such as maintenance of the building or organisational work.

If you are interested, please send us a link to your website or online presence/pdf and a motivation letter in which you introduce yourself and your practice and address the following questions:

- Why do you want to be a part of Helicopter?
- How do you wish to contribute to the collective?
- Which studio do you apply for: only the small or big studio, or interested in one or the other.

Please email your application to: [stichtinghelicopter@gmail.com](mailto:stichtinghelicopter@gmail.com) with subject heading 'Open Call Studio' and please include your mobile phone nr. for correspondence.

Deadline: 27 June.

On the 29th of June we will let you know if you are selected for an informal viewing of the building and the studio spaces on Thursday July 1 20:00 until 21:00 hrs OR on Saturday July 3 from 13:00 - 14:00. So please make sure you are available on one of those dates. On July 4th the latest we'll let you know if you are selected for an interview, which will happen between July 5 - 11, we'll schedule accordingly.

Looking forward to hearing from you!

The Helicopter team.
